ARTICLE 1 - PREAMBLE

THIS AGREEMENT is entered into between the City of Winnemucca, Nevada, hereinafter referred to as the City and the Winnemucca Police Officers Association, hereinafter referred to as the Association. It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties, to provide an orderly and peaceful means of resolving any misunderstandings or differences, and to set forth the agreement between the parties concerning rates of pay, wages, hours of employment and other conditions of employment.

The City of Winnemucca Personnel Policy Manual and Police Department Policy Manual, as amended from time to time, are incorporated herein by reference. In the event of conflict or inconsistency, the terms of this Agreement shall be controlling.

ARTICLE 2 - RECOGNITION

The City recognizes the Association as the exclusive bargaining agent for purposes of establishing salaries, wages, hours and other conditions of employment for classified employees within-the law enforcement classes of:

- 1) Detective
- 2) Police Officer
- 3) Police Sergeant

and excluding all other law enforcement employees in supervisory or management positions. The City recognizes the Association as the exclusive bargaining agent for the above listed law enforcement officer employees on the basis that such employees have the same community of interest.

ARTICLE 3 - STRIKES AND LOCK-OUTS

1. The Association will not promote, sponsor or engage in any strike against the City, slow down, or interruption of operation, concentrated stoppage of work, absence from work upon any pretext or excuse such as illness, which is not founded in fact; or any other intentional interruption of the operations of the City, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this Agreement to comply with this pledge.

2. The City will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Association.

ARTICLE 4 - RIGHTS OF MANAGEMENT

1. Those subject matters which are not within the scope of mandatory bargaining as defined per Nevada Revised Statutes (“NRS”) 288.150 and which are reserved to the City without negotiation include:
 - a. The right to hire, direct, assign or transfer an employee, but excluding the right to assign or transfer an employee as a form of discipline.
 - b. The right to reduce in force or lay off any employee because of lack of work or lack of funds.
 - c. The right to determine:
 - i. Appropriate staffing levels and work performance standards, except for safety considerations;
 - ii. The content of the workday, including without limitation workload factors, except for safety considerations;
 - iii. The quality and quantity of services to be offered to the public; and
 - iv. The means and methods of offering those services.
 - d. Safety of the public.
2. Notwithstanding the provisions of any collective bargaining agreement negotiated pursuant to NRS Chapter 288, the City is entitled to take whatever actions may be necessary to carry out its responsibilities in situations of emergency such as a riot, military action, natural disaster or civil disorder. Such actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken under the provisions of this subsection shall not be construed as a failure to negotiate in good faith.
3. The provisions of this Article recognize and declare the ultimate right and responsibility of the City to manage its operation in the most efficient manner, consistent with the best interests of all its citizens, its taxpayers and its employees.

ARTICLE 5 - NON-DISCRIMINATION

1. The City will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Agreement because of membership, or legitimate activity as required in the Agreement on behalf of the membership, in another employee organization.
2. The Association recognizes its responsibility as the exclusive negotiating agent and agrees to represent all employees in the negotiating unit without discrimination, interference, restraint or coercion.
3. The provisions of this Agreement shall be applied equally to all employees in the negotiating unit without discrimination as to age, sex, sexual orientation, marital status, race, color, national origin, ethnicity, creed, religion, disability or political affiliation. The Association shall share equally with the City the responsibility for applying this provision of the Agreement.

ARTICLE 6 - ASSOCIATION DUES

1. An employee may authorize payroll deductions for the purpose of paying Association dues and assessments. Upon written authorization to the City Clerk from an employee, the City shall deduct on a semi-monthly basis from the wages such sums as the employee may specify for the Credit Union and Association dues or such other purposes as the City may hereafter approve. The Association assessment shall be deducted as requested by the Association, however, such assessment deductions shall be requested not more than one (1) time per calendar year. No authorization shall be allowed for payment of initiation fees or fines. Each employee shall have the right to terminate such payroll deductions one (1) time each year between October 1 and October 20, upon written request by the employee to the City Clerk.

2. The Association will indemnify, defend and hold the City harmless against any claims made, and against any suits instituted against the City on account of any action taken or not taken by the City in good faith under the provisions of this Article. The Association agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.

3. The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the appropriate Association dues and/or assessments. When a member in good standing of the Association is in non-pay status for an entire pay period, no withholding will be made to cover that pay period from future earnings. In the case of an employee who is in non-pay status, during only part of the pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over Association dues and assessments.

ARTICLE 7 - HOURS OF WORK

1. The normal employee workweek shall vary depending on the duty assignment and on the assigned shift schedule and will generally be as follows:

 - d. Patrol – 12 Hour Shift: Patrol officers shall bid by seniority (for three month periods to begin on Jan. 1st, April 1st, July 1st and October 1st their days off. The maximum period that an officer shall be on the same shift shall be one year unless otherwise approved by the Chief of Police or his designee. - 2. Employees assigned to patrol shifts shall receive pay for break periods because they are required to respond to calls at any time received during break periods.
 - 3. Rescheduling will not be used to avoid overtime. If a schedule change will involve more than a two (2) hour deviation from the employee's current assigned schedule, the employee must receive seventy-two (72) hours or more prior notice of the

schedule change, except in the case of emergency declared by the Police Chief, or his designee.

4. Whenever an employee's shift is changed, the City will attempt to set the schedule to allow the employee forty-eight (48) hours off prior to starting the new shift. When this cannot be accomplished, the City will attempt to schedule the affected employee to receive up to forty-eight (48) hours of time-off at some time during the following one (1) month period. When the time off cannot be granted, the employee shall be eligible for up to two (2) overtime shift payments, provided that the employee submits a written request to the Police Chief on the employee's first timecard following the expiration of the one (1) month period.
5. Each employee must complete a timecard each pay period indicating actual time at work, time on annual leave, time on sick leave and time on compensatory leave, and must sign the timecard to certify accuracy. Each employee must receive approval in advance from the Police Chief, or his designee, before working a non-scheduled time or modifying a shift schedule.
6. Employees are expected to work approximately the same number of hours during each calendar year regardless of which shift schedule is assigned.
7. Duty hours shall be devoted fully to the performance of assigned duties. Periods of absence for personal matters are not credited toward duty hours and must be charged to vacation leave, sick leave or compensatory time, or be recorded as unexcused absence.
8. This Article is intended to be construed only as a basis for calculating overtime and shall not be construed as a guarantee of hours per day or week.
9. For the purposes of this Article, seniority of employees shall commence on the original date of hire, and include any break in employment with the City not exceeding twelve (12) months. Any non-probationary employee who has terminated their employment in excess of twelve (12) months and thereafter becomes re-employed shall forfeit their original "date of hire" seniority and shall bid based on their new date of hire. This article is retroactive to include any officer that has terminated their employment with the Police Department and was re-hired by the City within twelve months as required in this Article.

ARTICLE 8 - HOLIDAYS AND HOLIDAY PAY

1. Employees eligible for holiday pay shall receive pay for one regularly scheduled shift at the regular hourly rate of pay for the following holidays:

New Year's Day (January 1)

Martin Luther King's Birthday (third Monday in January)

President's Day (third Monday in February)

Memorial Day (last Monday in May)

Juneteenth (June 19)

Independence Day (July 4)

Labor Day (first Monday in September)

Nevada Day (last Friday in October)

Veteran's Day (November 11)

Thanksgiving Day (fourth Thursday in November)

Day after Thanksgiving Day (fourth Friday in November)

Christmas Day (December 25)

Any other day declared a holiday, day of thanksgiving or a day of mourning by the Mayor, Governor or President when City offices are closed.

2. For employees regularly scheduled on a Monday-Friday workweek, whenever one of the declared holidays falls on a Saturday, the preceding Friday will be observed as a holiday, and when the holiday falls on a Sunday, the following Monday will be observed as a holiday. For employees regularly scheduled on other than a Monday-Friday workweek, the actual day of the holiday shall be observed. Holiday pay will be applied to actual hours worked by the employee during the twenty-four (24) hour day.

EXAMPLE: If the holiday falls on a Sunday, employees beginning their shift on Saturday night and ending in Sunday morning will be paid regular pay for hours worked on Saturday and holiday pay for hours worked on Sunday. Employees beginning their shift on Sunday night and ending on Monday morning would be paid holiday pay for hours worked on Sunday and regular pay for hours worked on Monday.

3. In order to be eligible for the holiday pay, an employee must be on the active payroll of the City. Holiday leave may be used while an employee is on Administrative Leave with-pay pending an inquiry into misconduct. When the investigation results in disciplinary time off (without pay), demotion or termination for the employee, all holiday pay received while on Administrative Leave shall be forfeited.
4. Holidays occurring during an employee's vacation period shall not be counted as vacation.
5. An employee who is on suspension from employment with the City and has a holiday fall during the suspension shall be credited with having served two (2) days

suspension for that holiday date.

6. **HOLIDAY PAY:** When a designated holiday falls on an employee's regular day off the employee will receive straight time pay for the number of hours in the employee's regularly scheduled shift for that holiday. When a scheduled work day falls on a designated holiday and the employee is approved to take the day off, the employee will receive holiday leave for the employee's regularly scheduled shift with no additional pay. Employees working on a "designated" holiday will receive straight time pay for the number of hours in the employee's regularly scheduled shift plus time and a half (1½) for all hours actually worked.

EXAMPLES: Calculated using an hourly base pay of \$24/hour:

Example #1: Holiday falls on a regular day off and is not worked:

8-Hr Shift: Employee is owed 8 hours of regular pay: 8 hours x \$24/hr = \$192.00

10-Hr Shift: Employee is owed 10 hours of regular pay: 10 hours x \$24/hr = \$240.00

12-Hr Shift: Employee is owed 12 hours of regular pay: 12 hours x \$24/hr = \$288.00

Time Card Entry: Enter number of hours in regularly scheduled shift in the "Holiday" column.

Example #2: Holiday falls on a regular scheduled workday and is not worked:

8-Hr Shift: Employee receives 8 hours holiday leave

10-Hr Shift: Employee receives 10 hours holiday leave

12-Hr Shift: Employee receives 12 hours holiday leave

Time Card Entry: Enter number of hours in regularly scheduled shift in the "Holiday" column.

Example #3: Worked Holiday:

8-Hr Shift: Employee is owed 8 hours of regular pay plus time and a half for all hours worked:

8 hours x \$24/hr = \$192.00 plus

8 hours x 1½ x \$24/hr = \$288.00

Total holiday pay = \$480.00

10-Hr Shift: Employee is owed 10 hours of regular pay plus time and a half for all hours worked:

10 hours x \$24/hr = \$240.00 plus

10 hours x 1½ x \$24/hr = \$360.00

Total holiday pay = \$600.00

12-Hr Shift: Employee is owed 12 hours of regular pay plus time and a half for all hours worked:

12 hours x \$24/hr = \$288.00 plus

12 hours x 1½ x \$24/hr = \$432.00

Total holiday pay = \$720.00

Timecard Entry: Enter number of hours in regularly scheduled shift in the "Regular" column. Enter the number of hours worked in "Holiday Worked" column.

ARTICLE 9 - VACATION LEAVE

1. A regular, full time employee will accrue vacation leave based on the following accrual rates:

Years of Continuous Earned Service	Vacation Leave Accrual Rate (hours earned per one hour worked)
Less than 12 months	0.0385 hours

3 yrs but less than 7	0.0577 hours

3. Choice of vacation dates shall be granted, whenever practical, based upon the operating requirements of the City, as determined by the Police Chief. Where more employees than can be spared request a particular period, preference will be in order of seniority in grade, provided the remaining employees are qualified to do the work.
4. Vacation taken during a semi-monthly period shall be charged before vacation earned during the pay period is credited.
5. An employee's accrued vacation shall not exceed two hundred forty (240) hours, unless pre-approved by the City Manager. Employees exceeding the two hundred forty (240) hours are required to schedule the use of all excess annual leave during the pay period immediately following notification, unless pre-approved by the City Manager.
6. The City shall make available reasonable periods of time for employees to take earned vacation. In the event any employee's scheduled vacation is denied due to an operating emergency, the employee will not lose that accrued vacation in excess of what is permitted in section 5, instead, the affected employee will be permitted to use that vacation within the following thirty (30) calendar days.
7. If all options for using accrued vacation leave have been exhausted, an employee with accrued vacation leave in excess of two hundred forty (240) hours may request in writing to sell a portion of the accrued vacation leave back to the City. The employee must keep a minimum balance of one hundred (100) hours, and the request must be approved by both the Police Chief and the City Manager.

8. Vacation leave shall be earned at the employee's usual rate while on vacation leave. Vacation leave shall be earned while an employee is on sick leave or on service connected disability leave, or a combination thereof, for a continuous period of up to thirty (30) days. In the event an employee is on sick leave or service connected disability leave, or a combination thereof, for a continuous period for more than thirty (30) days, the employee shall cease to earn further vacation leave until the employee returns to work full time. Vacation leave shall be earned during the time an employee is placed on Administrative Leave with-pay pending an inquiry into misconduct. When the investigation results in disciplinary time off (without pay), demotion or termination for the employee, all vacation leave earned while on Administrative Leave shall be forfeited.

ARTICLE 10 - OTHER LEAVES

 - i. Sick leave shall be earned at the employee's usual rate while on annual leave. Sick leave shall be earned while an employee is on sick leave or on service connected disability leave, or a combination thereof, for a continuous period of up to thirty (30) days. 4. Administrative Leave: There are times that it would appear to be in the best interest of both the City and an employee to relieve the employee from duty, pending the outcome of an inquiry. Such leave shall not cause the loss of pay or other City provided benefits.

ARTICLE 11 - ON THE JOB INJURY

1. Severe Injury: An employee suffering a severe injury while performing a designated assignment shall be entitled to receive their full base salary for up to sixty (60) calendar days after sustaining the severe injury without having to use any accumulated sick leave or annual leave (this City payment shall make up the difference between any workers compensation benefit and the employee's full base salary). After the sixty (60) day benefit period, the employee may use accumulated sick and annual leave to make up the difference between the employee's base patrolman salary and the payment received by the employee from workers compensation benefits. A severe injury is defined as an on-the-job injury that requires confinement to a hospital and/or home for a period of ten (10) consecutive calendar days or more.
2. Other Injury: When an employee suffers an on-the-job injury that prevents the employee from reporting to work, but does not qualify for Article 11 Section 1 severe injury benefits, the employee may use accumulated sick leave and accumulated annual leave to make up the difference between the base salary and the payment received from worker's compensation benefits.
3. Sick Leave and Annual Leave Accrual: An employee receiving workers compensation benefits will not accrue sick leave or annual leave, but shall continue to earn service time credit for retirement purposes.
4. No employee shall receive a total compensation in a particular time period for workers compensation benefits and sick leave benefits and/or annual leave benefits, or any combination thereof, which exceeds the regular base salary of the employee for that time period.
5. Holiday Benefits: When a holiday falls during the period of an employee's leave while receiving workers compensation benefits, the employee shall receive straight time compensation for the holiday as described in Article 8 of this agreement.
6. Light Duty Assignment: When an on-the-job injury prevents an employee from performing normal job duties but the employee is able to perform a light duty assignment, the employee may be assigned to a temporary light duty assignment by the Police Chief if he determines that a temporary light duty assignment is available. The employee will be required to provide a written description from a physician of the limitations to be in effect prior to being considered for a light duty assignment. The City has the right to send the employee to a doctor of the City's choice at City expense to further determine the ability of the employee to work a light duty assignment. The City may choose a physician who is a specialist in the field to eliminate the problem of conflicting opinions. The intent of the second opinion is to assist in determining staffing levels and to encourage rehabilitation of

the employee.

7. Workers Compensation: Any time within a maximum period of twelve (12) semi-monthly pay periods subsequent to the pay period within which an on-the-job injury occurred, an employee may elect to continue on workers compensation leave, without additional compensation from the City, and without refunding the workers compensation salary continuance payments to the City, provided the employee is receiving workers compensation salary continuance payments.

ARTICLE 12 - LEAVE OF ABSENCE

Peace Officers shall be afforded all rights guaranteed under NRS Chapter 289.

1. Types of Discipline: Disciplinary action shall be imposed upon an employee for just-cause, which includes, but is not limited to, failing to adequately fulfill the responsibilities as an employee and on-duty or off-duty conduct, which relates to an employee's ability to satisfactorily perform the job. An employee may, after twelve (12) months of the issuance of any negative action, request of the Police Chief or his designee, (with a copy to the City Manager) the removal of such material from the employee's personnel file. Examples of the type of disciplinary action which may be imposed include the following:
 - a. Oral Reprimand: An oral reprimand addressed to an employee by their supervisor as to the propriety of an employee's action(s) or inaction(s). The City may place a written confirmation of oral reprimand in the employee's personnel file. A written confirmation of an oral reprimand will be effective for a period of eighteen (18) months following the date of incident and thereafter shall be of no further effect for any purpose, and shall be removed from all files, provided that there has been no recurrence. Request for removal shall be the responsibility of the employee.
 - b. Written Reprimand: A written reprimand of an employee's conduct, usually concerning an infraction of City rules-of-conduct, regulations or performance. The reprimand is to be in written form, signed by the employee and the supervisor. A copy will remain with the supervisor issuing such reprimand, a copy delivered to the employee with an additional signed copy to the employee's personnel file in the City Clerk's Office. Upon written request of the employee, a copy shall also be forwarded to the Association and/or the Association authorized representative. Signature by the employee shall not constitute agreement with the reprimand, but only recognition of the receipt of the written reprimand. A written reprimand that does not include a suspension, shall be removed from the employee's personnel file twelve (12) months following the date of the incident provided that the employee requests that the City do so in writing to the Chief of Police (with a copy to the City Manager) and provided that the employee has had no other sustained disciplinary actions during that period.

In the event such leave, during a period of review, is thought to be necessary, such leave shall not cause loss of pay or other benefits attached to the position as an employee of the City, unless later converted to a Suspension. Leave With Pay does not comprise a form of discipline in and of itself.
 - e. Demotion: A demotion is a reduction of at least one (1) step in pay and/or grade for just cause. Demotion shall be imposed by the Police Chief and shall be a written notice to the employee concerned. One (1) copy of such notice shall be delivered to the employee concerned and one (1) copy shall be placed in the employee's personnel file in the City Clerk's Office. Upon written request of the employee, a copy shall also be forwarded to the Association or the Association's authorized representative.
 - f. Termination: Termination of the services of an employee of the City for a gross violation of laws, ordinances or rules and regulations; or for numerous violations of rules and regulations; or for inability or refusal to properly perform duly assigned tasks; for substance abuse or other actions which constitute just cause for termination. Termination shall be imposed by the department head and shall be by written notice to the employee concerned. One (1) copy of such notice shall be delivered to the employee concerned and one (1) copy of the appropriate form shall be placed in the employee's official personnel file in the City Clerk's Office. Upon written request of the employee, a copy shall also be forwarded to the Employee's Association or the Association's authorized representative.
2. Classifications of Discipline: Oral reprimands and written reprimands shall be considered Minor Disciplinary Actions.
